

## Listening test tips:

- Let staff know straight away if you cannot clearly hear the audio.
- Follow the instructions given carefully.
- Listen out for the specific information you need.
- Try to anticipate what the speaker might say.
- Be mindful about your grammar and spelling.
- Don't spend too much time on a question you don't know the answer to.
- Focus on what you are asked to do in completion style questions.
- Be aware of the word limit; if you are asked to finish a sentence using only two words and the correct answer is 'leather coat', then 'coat made of leather' would be an incorrect answer.
- Try to answer all questions; you will not lose points for incorrect answers.
- Check your answers thoroughly.
