

## Speaking test tips:

- Try to speak as much as you are able to.
- Speak as fluently as you can and try to be spontaneous.
- Try to remain confident and enjoy using your English skills.
- Expand upon your answers as much as you can.
- Make sure that you talk more than the examiner does.
- If you need to, you can ask the examiner to clarify a question.
- Don't memorise prepared answers, examiners have the ability to recognise this and will change your question as a result.
- Remember that you will be marked on your ability to effectively communicate your opinions.
- The questions that the examiners ask often tend to be quite predictable, so make sure you practice at home but do not memorise your answers.
